# WORLD TRUCK AUCTIONS

General Terms and conditions for putting goods up for auction.

## 1. Applicability

- 1.1 The general terms and conditions of the relationship between World Truck Auctions and the vendor shall be the terms and conditions of the relationship between World Truck Auctions and the vendor.
- 1.2 The application of special terms and conditions for purchase employed by the vendor, the express or implied, shall not be able to participate in the auction. By completing the form, the vendor shall be deemed to have accepted the general terms and conditions of World Truck Auctions.
- 1.3 The vendor shall be responsible for the details entered by him on the digital form and shall be liable for any errors or omissions.
- 1.4 Should any dispute arise between World Truck Auctions and the vendor, the competent court in the district of the location of the vendor shall be exclusively authorized to settle the dispute.
- 1.5 In the event of any changes to the general terms and conditions for putting goods up for auction, the vendor must duly inform World Truck Auctions in writing of any changes to the general terms and conditions for putting goods up for auction.
- 1.6 All rights reserved. World Truck Auctions is not liable for any damage caused by and/or arising from errors or omissions in the digital form.
